DEDICATION

It is with pleasure

dedicates
the
2001-2002 edition
to our illustrious
principal,
Mrs. Gail Fowler

Let's Not Say Goodbye

by: Marilyn Mitchell

Let's not say goodbye
even though our time together
has come to an end
You see goodbye sounds so final
and I trust I'll see you again, my friend
It seems as if only yesterday
we met for the very first time
Now after many passings of tomorrow
you are still on my mind
You have been a good friend
true and through
all that I am and have become
is because of you
And though our time together
has come to a close
I will keep you in my heart
wherever I go
So, I won't say say goodbye
even though we are at the end
I will say, "I'll see you later"
until we meet again
my friend

Patriots Advance To State Playoffs

After completing a regular season of 5-5, Coach Maurice Freeman led his Patriot Football Team to the state playoffs. Although the Patriots lost 19-7 in the first round against the Golden Hawks of Washington County, the occasion was still joyous, being that the Patriots had not advanced to the playoffs in 14 years.

As far as next year, Coach Freeman feels it will be a banner one. With 14 players returning as Seniors and starters, expect the Patriots to be strong contenders for another title.

DECA

Today's Students Are Tomorrow's Millionaires

DECA is a club that focuses on business, especially marketing. The club's purpose is to expose students to the various aspects of the business world. It covers different topics ranging from what to say during a job interview to which careers will have the most openings in the near future, as well as which will be most lucrative financially. The club works to make students more successful in the job market after they graduate from high school. "Today's students are tomorrow's millionaires," said Mr. Bates, the club's advisor.

Another aspect of DECA has to do with the work program at Southwest. Every member of the club is also an employee somewhere in the community. The club aims to get its members as much work experience and job skill training as possible now in order to make the job choices of tomorrow easier for them.

A great benefit of this is receiving credit in school for actual outside school employment.

Teens Against Pregnancy provides much-needed message for today

The Teens Against Pregnancy program provided education, social and service activities that encouraged teens to complete their high school education without becoming parents, using alcohol, or using drugs.

Some activities that TAP sponsored were a canned food drive, Toys for Tots toy drive, and the collection of jackets for the Jacket Bank.

Ms. Bell and Ms. Brock are the sponsors of the TAP club.

Southwest Student Court

The Student Court of Southwest High School is a totally student run organization that is designed to hear cases that are deemed appropriate by the administration of Southwest High School. Students are taught the various roles that they will use in a court hearing and then they participate as either the Judge, Attorney, Baliff or Jury for court cases.

Students that are referred to the Court are given appropriate defense in all trials. Although students that are sent to the Court are deemed to have committed some offense, the court gives the student the opportunity to tell their side of the story and then make a recommendation as to appropriate punishment.

Rebuilding the Patriot Spirit...

This year's Patriot Yearbook Staff "wholeheartedly" accepted the challenge to "rebuild" the Patriot Spirit. The Patriot Spirit, Southwest's premiere yearbook had not been produced since the 98-99 school year.

This indeed was a special treat for the graduating senior class, since they were freshmen at the time the last book was published.

Ms. Mitchell, the yearbook advisor, was quite pleased with the yearbook's development. She also thanks Erica Gary, Deandrea Evans, and Tremaine Nesbitt for their assistance with the numerous layouts; Coach Maurice Freeman for the many hours of photography, and Principal, Gail Fowler for her unwavering support.

It seems like only yesterday that we watched you take your first step, lose your first tooth and start school for the first time. Where did all the years go? Now our little girl is a strong young lady who's ready to tackle the world and we have never been more proud of you than we are right now. May the Lord continue to bless you as your journey takes you further in life. Remember to always keep him first because, through him all things are possible. We love you and wish you all the best.

Love Always,
Mom & Dad

As I look back down memory lane it seems like only yesterday that I was holding you in my arms, watching you rock back & forth in your swing, picking you up after each effort of taking your first step to walk, and watching you smear food over your face while trying to feed yourself. As you have grown older, it has been an honor & a privilege to hold my baby close to wipe the tears from your eyes during sad times, to laugh & joke with you during happy times, to reassure you, to pray with you, and just love you. It has been a journey, but I've watched you blossom into a sweet young lady right before my eyes. I thank God for you and no matter how old you get to be, you will always be my Baby Dee. May God richly bless you in college & all of your endeavors. Much success to you as you leave the nest and try your wings as you enter into the real world.

To a wonderful daughter with much love,

Your mother,

Diane

To My loving Daughter,

Wherever the future may lead, may you always have the wisdom and the strength to follow your dreams... the courage and ambition to meet new challenges... and may you know the happiness and pride that comes with success!

Those who achieve success are those who take a dream and make it come true. It takes a lot of planning and a lot of hard work. It takes a lot of caring to make a dream come true... And now that you've achieved this goal, may you go on from here to more success and happiness. You have so many reasons to be happy, and those who love you have so many reasons to be proud!

Your family loves you very much and we are so very proud of you
LaTasha Bell!!!!

Love Your Family

Mom, my best friend,

I just want to let you know that I appreciate everything that you have done to keep me focused in life. Because of you, I have made it this far. You have raised me to be a respectable, responsible, and smart young lady. We have been through so much together. We have had our ups and downs just like any other mother and daughter, but overall we still have been there for each other.

I am proud of you for being a single black mother. You have done more than I give you credit for. There have been times where you have sacrificed the things you wanted, just to give me the things I wanted or needed.

Mom, I thank you so much. There's nothing in this world that I can do to repay you. I love you with all of my heart. Remember I'll always be there for you.

Love Always,
Your Loving Daughter,

My True Friends Through It All

Kishia, Man We Made It. We've known each other when tennis skirts and bo-bo's were in style! I can honestly say that you are a true friend because for six years we have NEVER fallen out, like those that claim to be friends. I thank you for always being there for me and giving me advice when I needed it. We have graduated once together and I am glad to see that it's gonna happen again. I love you!

Tasha, My Best DoGG! You have never let me down. Everytime I needed a friend, you were always by my side. We have tripped out together basically every day of the school year-sick or not. Whenever I was going through a couple of things, you always brightened up my day. I will always remember you no matter what. Love you always.

Lexus, My Craziest Friend Ever. You always keep a smile on my face. Whenever I needed to have a good time, I knew to call you. You are one of the "realest" friends that I have. Remember that I will always be there for you when you need me. Love Ya.

Sam, My Big Brother. It's about time we got up out of here. Through all of my ups and downs, I knew I could always count on you for advice. I enjoyed all of the times we spent together. You always knew how to get on my nerves and make me smile. I love your big head self. Love you bro.

Much Love To All,
Tanya Lambert '02
